Financial Management Policy

November 2021

Introduction

The overall policy of the Governing Body is to run its finances within its delegated budget. It will aim to maximise the use of that budget together with any other sources of income or grant to deliver the School Development Plan.

1. Governing Body (Legislation)

1.3 The day-to-day management of the school is delegated to the headteacher and senior members of the school's staff. The extent of these delegated powers is set out below.

1.4 In addition, to ensure the financial affairs of the school are properly controlled in line with current best practice and guidance, the Governing Body and headteacher have adopted the financial procedures set out in the appendix to this policy document.

FINANCIAL PROCEDURES

1. General Policy

- 1.1 The policy of the Governing Body is to use all funds received for the running of the School in the most effective manner by achieving “best value”.
- 1.2 An essential part of ensuring best value is to have sound financial procedures. The Governing Body has reviewed the WMDC Scheme for Financing Schools and associated LA Procedures Manual and has adopted the following procedures.
- 1.3 To ensure that all staff are familiar with these procedures which directly effect them e.g. how to order resources, when to get quotations, cash procedures and inventory arrangements. New members of staff joining the school will also be given their own copy as part of their induction training. The School’s Administration Officer will hold a record of who has been given copies.

2. School Budget

- 2.1 The management and control of the school budget has been delegated by the Governing Body to the Resources Committee. The day to day management of the budget has been delegated to the Headteacher.
- 2.2 Monitoring of the school finances is an ongoing process. The Resources Committee shall review all aspects of the school’s budget each year in accordance with the principles of best value as set out in the Wakefield Scheme for Financing Schools.
- 2.3 The Resources Committee will determine a proposed budget for the following financial year in sufficient time for it to be approved by the Governing Body and submitted to the LA before the end of June. It will include a statement of assumptions on how it has been constructed and how best value will be achieved.
- 2.4 The budget spending plan shall be constructed in line with the School Development Plan to ensure that the educational requirements of the pupils are met and that the environment within the school is at an acceptable standard. As the school’s budget allocation from the LA is mainly based on pupil numbers fluctuations in these should also be monitored closely by the Headteacher.
- 2.5 The Headteacher & Senior Administrative Officer will work closely with the Resources Committee in monitoring the school’s finances. An up to date written statement of the school finances shall be included in the Headteacher’s report to the Governing Body meetings (at least every term). The format shall be in the LA’s standard format and include current and any known commitments, details of any virements and explanations for any variances which affect the above financial policy. It shall be written and in sufficient detail for the Governors to fully understand the school’s financial position. The report will be available prior to the arranged meeting. The review and any action shall be minuted.

3. Salaries

- 3.1 Salaries/wages shall be paid to teaching and non-teaching staff in accordance with agreed National Scales, taking into account local agreements and in accordance with the school’s Pay Policy.

- 3.2 All salaries shall be reviewed annually by the Personnel Committee with the Headteacher in an advisory role. No staff governor shall be a member of this committee.
- 3.3 Payroll procedures must make clear who is responsible for authorising all payroll changes. Only the Headteacher will have the authority to make changes to payroll payments which directly affect the agreed payroll budget including staff changes, increases in pay and signing overtime/lettings payments. The exception to this will be where the Chair of Governors authorises any changes in the Headteacher's pay.
- 3.4 All payroll payments are monitored to ensure that changes and additional payments have been authorised and that they are in respect of the school's staff.
- 3.5 A sickness report will be presented to the Resources Committee at each meeting reporting on its effects on the schools operation and budget in relation to the cost of supply teacher cover.
- 3.6 Absence will be recorded via electronic systems.

4. Purchasing

- 4.1 The Governing Body will ensure that the principles of obtaining best value are always followed particularly obtaining quotations and tenders as required by the Wakefield Scheme. See Purchasing Policy (Appendix 1).
- 4.2 The Headteacher has delegated responsibility to authorise purchases of goods and services approved in the approved delegated budget and up to £3000 where virement between heads of agreed expenditure are required and up to £5000 in consultation with the Chair of Governors. However, in emergencies for amounts above £5,000 and particularly those not included in the original budget or development plans, the Chair of Governors or the Chair of Resources Committee should be consulted and the expenditure reported retrospectively to the next meeting of the Governing Body.
- 4.3 Verbal quotations will be obtained for orders of less than £2500.
- 4.4 All purchases over £2,500 - £15,000 per item will be subject to quotations. The lowest quotation shall be accepted unless there are exceptional circumstances approved by the Resources Committee and subsequently reported to the next full Governors' meeting.
- 4.5 For purchases over £15,000 tender procedures shall be carried out in accordance with LA regulations. The lowest tender shall be accepted unless there are exceptional circumstances approved by the Resources Committee subsequently reported to the next full Governors' meeting.
- 4.6 Orders involving leases must be referred in advance to the LA Finance Group to ensure best value.
- 4.7 Only official orders shall be used for purchases and these should fully describe the items required and agreed price. Where urgency necessitates a verbal or faxed order this shall be followed by an official signed confirmatory order on the next day. Copy orders shall be securely retained in the school Resources Office in sequence.
- 4.8 All orders will be authorised by the Headteacher; or Senior Administrative Officer up to £500, to ensure that sufficient funds are available within the appropriate budget.
- 4.9 Before orders are placed for construction or related trades the Senior Administrative Officer will ensure that the contractor holds a valid certificate issued by the Inland Revenue confirming the contractor is properly registered under the Construction

Industry Tax Deduction scheme. If a certificate is not held an alternative, registered contractor must do the work.

- 4.10 Goods and services shall be checked against orders for accuracy by someone other than the Senior Administrative Officer. Wherever possible the suppliers goods received note should be retained with the school's copy order.
- 4.11 Payment shall not be made until a proper invoice has been received, checked for accuracy and delivery and certified as such by the Administrative Officer or Senior Administrative Officer.
- 4.12 Items above £500 or of an attractive nature should be considered at this time for inclusion on the schools inventory.

5. Inventory of School Assets

- 5.1 The Administrative Officer shall be responsible for maintaining the school Central Inventory (for items above £500 or of an attractive nature) which will also show the method of funding. The inventory will normally be updated at the time of purchase and also added to a location inventory.
- 5.2 Individual members of staff will be made responsible for the safekeeping of the items within their location inventory.
- 5.3 All changes to the location inventory will be agreed and recorded by the Administrative Officer and the location inventory holder, including temporary moves such as use at home (to comply with insurance arrangements).
- 5.4 The Administrative Officer will decide whether or not the item should be security marked.
- 5.5 Any income from the sale of any item shall be credited to the school's delegated budget account unless the item was originally funded from the schools voluntary fund or similar account.
- 5.6 The Administrative Officer and location inventory holder will undertake an annual audit of the contents of the inventory. Any significant discrepancies will be reported to the LA and Governing Body and, in circumstances decided by Internal Audit and the LA the police will be informed.

6. Income

- 6.1 The Resources Committee will oversee all matters relating to the letting of school premises and will follow the guidance set out at para 5 of the Wakefield Scheme for Financing Schools.
- 6.2 The process of maintaining the diary of any bookings should always be separated from the raising and collection of accounts. Review of any outstanding debts is also better undertaken by someone independent of the collection process.
- 6.3 Where circumstances dictate that income should be collected at the time the service or letting is made then a receipt must always be given. Someone independent of the person collecting the money should ensure that the total amount of monies receipted is banked.
- 6.4 The Resources Committee will also determine an income collection policy as to how charges are to be collected and their approach to allowing credit and late payment. Write-offs may only be considered by the Governing Body. Individual debts up to £500 may be written off by the Governing Body on notification to the LA, but amounts above

this need the formal written approval of the CEO. Similarly, in total no more than £1000 can be written off in any one financial year without notifying the LA.

- 6.5 In setting the rates, the Resources Committee shall have regard to the Governing Body's requirement to maximise lettings' income subject to both market conditions and voluntary use.
- 6.6 Regard must be had for the VAT implications relating to income set out in Appendix 3 of the Wakefield Scheme for Financing Schools.

7. Imprest Account

- 7.1 All requests to the LA for reimbursement must be signed by someone independent of the normal account holder to ensure it is used only for small value payments or emergencies, and that the account reconciles to the imprest at the time of the request for reimbursement i.e. bank and any petty cash balances plus receipts for payments agrees to the imprest amount.
- 7.2 The petty cash float shall at all times be kept securely controlled by the Senior Administrative Officer.
- 7.3 The amount of the imprest agreed with the LA will be set around the normal level of monthly expenditure.

8. School Standards Grant and Standards Fund Grant

The School Standards Grant and Standards Fund Grant have effectively been incorporated into the schools delegated budget and the same principles and procedures apply.

9. School Fund

- 9.1 The Governing Body is effectively the trustees of the School Fund and shall make their intentions clear as to its general use. The Governing Body shall be responsible for the appointment of the Treasurer and an independent honorary auditor. The Administrative Officer shall act as the Treasurer.
- 9.2 The standards of accounting and stewardship in respect of running the Fund shall mirror those for the school's delegated budget.
- 9.3 A bank account giving favourable rates of interest shall be used to operate the School Fund which will be used for the control of monies arising from voluntary activities e.g. school trips, Christmas parties etc. Statements from the account shall be received monthly.
- 9.4 The cheque book for School Funds shall be controlled by the Senior Administrative Officer and Administrative Officer as agreed by the Governing Body.
- 9.5 All School Fund cheques shall be signed by two of the authorised signatories who are authorised by the Governing Body to write cheques up to an agreed value of £3000. Any expenditure in excess of this shall be referred to Chair of Governors for approval. The three signatories shall be the Headteacher and Assistant Headteachers.
- 9.6 Accounting records should be kept on a receipts and payments basis properly supported by appropriate receipts and paid invoices to facilitate the production of annual accounts and their audit. It should be possible to identify the main sources of both income and expenditure and this is best provided for in the use of a columnar spreadsheet.

- 9.7 There must be a monthly reconciliation between the fund record (cash book) and the monies held in the fund bank account. This reconciliation should be checked by an independent person and recorded in the fund records.
- 9.8 The annual accounts and Treasurer's report shall be presented to the Governing Body annually. The format shall at least show all the main sources of income, expenditure and the amount of money held in the fund bank at that time.
- 9.9 The School Fund shall be audited annually and a copy of the audit certificate be sent to the LA.

10. Accounting and Banking

- 10.1 Monies and cheques received from any sources shall be reconciled to the accounting records and banked in the appropriate accounts, as and when appropriate. The Senior Administrative Officer will ensure the reconciliation has been undertaken and the monies banked in full. No expenditure should be incurred from monies collected as income.
- 10.2 The maximum limit of cash and/or cheques to be held on school premises shall be in accordance with the schools fidelity guarantee insurance requirements (£1000 max).
- 10.3 The nature of cash makes it very attractive and vulnerable to loss. It is therefore vital that secure arrangements are in place for its safekeeping and that the person responsible for its safekeeping is apparent at all times.

11. Insurance

- 11.1 In allocating the school budget expenditure sufficient funds shall be allocated to allow for insurance premiums to cover the Insurance requirements as advised by the Council's Insurance Officer and set out in the full guide to schools insurance dated March 2000.

- 12.1 The Administrative Officer is responsible for ensuring that the regulations relating to the Data Protection Act are made known to all members of the school staff. The responsible person should also be aware of all aspects of data management including security, virus protection and suitability of all applications including that all appropriate licences are held.
- 12.2 The school computer system holds the financial records of the school along with other records. These records form an essential part in the proper financial management and control of the school. To ensure the security of these records, they should be password protected and the file contents of the computer system shall be archived daily.
- 12.3 The archived copy is held off site in event of fire.
- 12.4 Access to the computer system and records shall only be allowed to those members of staff authorised by the Headteacher. A record of those authorised and the extent of their access (i.e. from full access and ability to amend records down to read only) shall be held at the school. 14. Service Contracts

14.1 Contracts for other services, whether provided by either in-house or private contractors, must be monitored to ensure the actual level of service meets the requirements set out in the contract specification.

Introduction

The governing body is accountable for the way in which the school's resources are allocated to meet the objectives set out in the school's development plans. Governors need to secure the best possible outcome for pupils, in the most efficient and effective way, at a reasonable cost. This will lead to continuous improvement in the school's achievements and services

What Is Best Value?

Governors will apply the four principles of *best value*:

Challenge - Is the school's performance high enough? Why and how is a service provided? Do we still need it? Can it be delivered differently? What do parents want?

Compare - How does the school's pupil performance and financial performance compare with all schools? How does it compare with LEA schools? How does it compare with similar schools?

Consult - How does the school seek the views of stakeholders about the services the school provides?

Compete - How does the school secure efficient and effective services? Are services of appropriate quality, economic?

Purchasing

Governors and school managers will develop procedures for assessing need, and obtaining goods and services which provide "best value" in terms of suitability, efficiency, time, and cost. Measures already in place include:

- competitive tendering procedures (e.g. for goods and services above £5,000)
- procedures for accepting "best value" quotes, which are not necessarily the cheapest (e.g. suitability for purpose and quality of workmanship)
- procedures which minimise office time by the purchase of goods or services under £1000 direct from known, reliable suppliers (e.g. stationery, small equipment)

2. Order Process System

- 2.1 All orders must be placed via a requisition form – see attached.
- 2.2 Verbal/telephone orders must **not** be placed. If there are any emergency situations where telephone/verbal orders are essential, they should always be followed up with an order clearly marked **CONFIRMATION ORDER**.

- 2.4 All orders will be checked and signed by the Senior Administrative Officer to ensure that sufficient funds are available within the appropriate budget before being authorised by the Headteacher.

- 2.5 Copies of the requisition form can be obtained from the school office.
- 2.6 Verbal quotations will be obtained for orders of less than £2500.
- 2.7 All purchases over £2,500 - £15,000 per item will be subject to quotations. The lowest quotation shall be accepted unless there are exceptional circumstances approved by the Resources Committee and subsequently reported to the next full Governors' meeting.

3. Imprest

- 3.1 The petty cash system should only be used for amounts less than £50.
- 3.2 A receipt must be presented with the claim before any reimbursement can be made.
