

Textiles = Shape and stitch materials ①
 Quilt, pad and gather fabric ⑤

WALT: to evaluate the effectiveness of your cushion design. ②

List three positives about your product and three possible improvements in the table below.

Positives	Improvements
1) I like the button on the cushion. ✓	1) I would do less sewing to improve it. ✓
2) I like how the colours compliment each other. ✓	2) I would use more backstitch. ✓
3) I like the backstitch I have used. ✓	3) I would pick more colours to use. ✓

Evaluation

Were you happy with how your product turned out?
 Explain why.

I was happy with how my product turned out because I think it was the best I could do and I think blue and yellow go together. ✓

The children used their stitching techniques to shape, quilt, pad and gather fabric.
